

SO-PV Duties

The Division Staff Officer (PV) of Marine Dealer Visitors will exercise staff responsibility and supervision over all RBS-PV matters, will maintain close liaison with the District Officer of the Marine Dealer Visitor program (ADSO-PV), and will coordinate and cooperate with the SO-MT to encourage and increase the number of qualified marine dealer visitors. This officer will make and maintain close contact with marine dealers, current records of visitations, decal distribution, plan and perform workshops, member RBS-PV training, and ensure that all forms for RBS-PV are correctly completed and promptly forwarded. The SO-PV provides reports monthly to the Division Vice Commander and ADSO-PV, the outlined report requested showing checks periodically that all qualified RBS-PV examiners conduct their annual quota of marine dealer visits of four (4) per examiner, and that each RBS-PV examiner does not lose their qualification status as a result. He or she will formulate and execute a plan to ensure all marine dealers are covered and provided with decals, that they receive an updated schedule of PE courses and VSC stations in their area. Dealers should receive handouts on these PE and VE programs and any USCG RBS provided materials.
