U. S. Coast Guard Auxiliary warns boaters and residents of fire extinguishers recall

This recall, issued November 2, 2017, involves two styles of Kidde fire extinguishers: plastic handle and push-button indicator fire Extinguishers.

Kidde says that consumers with a fire extinguisher on the recall list should immediately contact Kidde to request a free replacement fire extinguisher and for instructions on returning the recalled unit, as it may not work properly in a fire emergency.

The recall involves 134 models of Kidde fire extinguishers manufactured between January 1, 1973 and August 15, 2017. Find out if you have one of the 40 million fire extinguishers being recalled in the USA and Canada.

FREE REPLACEMENT
