

SITE NOTIFICATION FORM

The DSO-CS, must be notified of the existence and address (URL) of all Division and Flotilla sites. Those sites which meet the requirements set forth by the National "I" Department shall be designated "Authorized Auxiliary Web sites". This on-line form is used to fulfill the notification requirement, and to request a website evaluation. **This form should be copied to your Division SO-CS.**

IMPORTANT READ AND COMPLY WITH THE FOLLOWING BEFORE SUBMITTING THIS FORM:

First print out and read the National checklist located at [Website Quick Checklist](#) and be sure that your site is in compliance with all items on the check list. Further information can be found at [National IT Group](#).

Some of the things we are missing is we are not using the checklist and you must have permission to show email addresses and phone numbers on the public side of your site

Mark in the comment section the you have written permission from the members that show their contact information

SUBMISSION INFORMATION:

- New Site Notification or Request New Site Space
- Revision of current Site Notification

I certify that I have reviewed and complied with the above references before submitting this form.
